

2018 Family Retreat

Friday, October 19 – Sunday, October 21
Great Wolf Lodge
10175 Weddington Road
Concord, NC 28027

Hemophilia of North Carolina's (HNC) popular Family Retreat is returning this fall!

We invite families who have children affected by a bleeding disorder to join us for a fun and educational retreat weekend. Educational programming is geared towards families who have children ages twelve and under. Childcare will be provided for those children and will include a mix of bleeding disorders education and other fun activities.

Accommodations and meals will be provided at no cost to HNC member families thanks to the generous support of our sponsors and donors. Attendees will stay in suites that typically include two double beds, pull-out sofa, and refrigerator. Check-in will be on Friday, beginning at 4:30pm. Dinner on Friday night will be at 6:30pm. Please indicate on your registration if you are able to attend Friday's dinner. Programming and activities will conclude on Sunday after lunch.

This year's Family Retreat will feature:

- Fun family activities on Friday and Saturday nights.
- Adult Track will include a variety of educational sessions.
- Children's Track and childcare* provided for children twelve and under.
- Time to get to know other families across North Carolina affected by bleeding disorders.
- Passes to enjoy the waterpark.

*We expect that you attend **all programs**. This is a popular event, often with a waiting list of people who also wish to attend and benefit from this educational opportunity. There will be time in the schedule to enjoy the facility. If you do not believe that you will be able to make the commitment to attend, please do not register.*

*Gas cards will be provided for families traveling more than 100 miles who attend **all session** of the Family Retreat to help offset some of the costs of travel. These will be provided at the conclusion of the event. We will contact you when you register if you are eligible.*

Registration is required by Monday, September 17. Registration is on a first-come first-served basis. Priority will be given to those who have a child twelve and under with a bleeding disorder and to those not affiliated with industry.

** Based on feedback from past years, some families indicated an interest in making a donation to help subsidize the childcare. Please indicate on your registration if you would like to make a donation and we will follow up with you.*
